ELLIOT INSTITUTE

The Trustees of the Elliot Institute hereby present their annual report for the season of 1928-1929.

Four entertainments have been presented since the last report. Two concerts early in the season and two illustrated lectures in January and February. A steady interest has been manifest in the continued good attendance. The Elliot Institute was established to furnish such entertainment and instruction as should be of help to the entire community. To know the mind of the town in regard to the character of the entertainments to be presented would be of the greatest help. Your trustees would again urge that suggestions as to improvement in our courses planned and especially the pointing out of any particular desirable attraction will be gladly received.

Respectfully submitted,

ALBERT W. HOWES,
FRANCIS R. PARKER,
WALTER R. PORTER,
Elliot Institute Trustees.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the Fitzwilliam School Board:

I herewith submit my eleventh annual report as Superintendent of Schools, the twenty-ninth in the series under union supervision.

At the close of the school year in June, 1927 we were, as usual, required to fill practically half the positions with new teachers.

At the Junior High school we were able to retain Principal George H. Wetmore for a fifth year. I believe the work accomplished by Mr. Wetmore in this school is deserving of special mention. Miss Kimball was secured for a second year in the Village primary school, and Miss Flanders in the Columbian intermediate school. Miss Blodgett has continued her efficient services in District Number 10.

For assistant in the Junior High school we secured Miss Elizabeth Adams, a graduate of the Domestic Arts course in Framingham Normal school. For the Village intermediate school, Miss Marian E. Wentworth, who had four years teaching experience previous to her graduation from Keene Normal school in June, 1928, was elected.

Miss Helena K. Brown, who taught the primary room in the Columbian school for two years was released to accept a position in her home town, and Miss Vivian E. Johnson, a graduate of Fitchburg Normal school, was elected to fill this vacancy. At State Line Miss Elina I. Heikkila, also a graduate of Fitchburg Normal school was chosen.

Miss Geneva Jean Howe, who was music supervisor last year, declined her re-election as she had been chosen supervisor of music in the Keene schools. For this position Miss Ruth E. Hutchinson, a graduate of the Music Supervisory course at

Keene, was elected. She is also supervisor of music in Rindge and Troy.

The work of the present Fitzwilliam teaching force is exceptionally satisfactory. In no recent year has the work of the several schools been so uniform. A fine school spirit has been manifested, and a desire shown on the part of the pupils to do their best work.

The good weather during the fall term allowed a closer supervision of the school work than has sometimes been possible. A total of 121 visits were made during the first twelve weeks, as compared with 94 during the same period last year, and 98 for the same term the previous year.

The enrollment of the Junior High school—50, is the same as last year, but the enrollment for the entire town shows a reduction, it being 172 as against 189 for the school year 1927-28, 191 for 1926-27, and 203 for 1925-26.

The changes suggested last year at the Junior High have worked out in a satisfactory manner. French has been dropped in grades seven and eight, commercial geography being offered and more English and technical grammar being given. Business methods in arithmetic, offered last year in grade eight have been continued, and more arithmetic and English given in grade nine.

The building at State Line was completely remodeled during the summer vacation. A new floor was laid, new windows were installed on the south side, the seats turned to face the west, allowing light to come from the left of the pupils desks. Light colored curtains have been installed. A new partition was run from east to west and an adequate supply closet built in the north-west corner of the building. A new door was opened on the west side of the building, allowing convenient access to the toilets, and ventilators were installed in the toilets.

With the jacketed heater moved to the north-west corner of the room and the room being reduced in size by the installation of the partition, it is much easier to heat than formerly.

In fact the State Line school is now one of the model rural school buildings of the state.

During the school year 1927-28 through the interest and efforts of teachers and pupils, electric lights were installed in the Columbian school, and new wall clocks were purchased for both rooms.

Fitzwilliam was requested during the fall term to provide for a rural institute on Oct. 31st. This institute was held at the Junior High building and was very interesting and helpful to our teachers and to those of the surrounding towns. Miss Phila Griffin of the State Board of Education was in charge of the institute, and was ably assisted by former Deputy Commissioner Geo. H. Whitcher, Supt. William of Ashland, and Supt. Douglass of Winchester. The auxiliary of the American Legion provided a bountiful dinner at the town hall at noon.

I desire, in closing, to express my appreciation of the community interest shown in our schools and the generous support given me during the school year.

Very truly yours,

LEWIS S. RECORD,
Superintendent of Schools.

East Jaffrey, N. H., February 1, 1929.
